

## Miracle on the Metro!

A person boarding a metro train received a paper just like this one. He took a few moments to read it. It had plain text like this one. The title was "Miracle on the Metro" just like this one. The person read the short message; it was a simple invitation to turn the paper over and read what was written on the back. The person turned the paper over and read the Bible verses on the back, believed them and received the forgiveness of sins and the gift of eternal life – the greatest miracle ever! The person had gotten on the metro lost (*like you perhaps?*) and got off saved forever. So any person receiving "Miracle on the Metro" who turns it over and reads the verses on the back and believes them in their heart can also receive the forgiveness of sins and the gift of eternal life – another potential great miracle. Great miracles can happen to anyone on a metro and could happen to you right now. Don't get off this metro still lost, turn this paper over and believe for yourself and the great miracle will happen to you too.
