

Outlook on the Current World Situation

Many people today are living as if the world will go on forever and hopefully improve. Some objective and realistic scientists believe that with current trends, it will be almost impossible for the world to sustain life past year 2050. Whatever your view might be, God has warned us in the Bible that He has **“appointed a day, in the which he will judge the world in righteousness” (Acts 17:31)**. This means that the world system as it is today could very quickly come to an irreversible end, quite probably much sooner than 2050!

The wars, the terrorism, the civil unrest, the political turmoil, the air pollution, the famine, the drought, the extreme heat, and all the natural disasters - storms, floods, wildfires - that God is now increasingly allowing all around the world, are surely a prelude to the terrifying judgments which He will soon pour out on this world during the seven years of the “Great Tribulation” described in the Bible.

These judgments, detailed in the Holy Scriptures, could begin at any moment! Here is what God says: **“There shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth” (Luke 21:25-26)**.

This seven-year period of terrible judgment is what the world rightly deserves for rejecting and crucifying Jesus, the eternal Son of God, whom God, because of His great mercy and love, sent into this world to save sinners, not just from this seven-year judgment, but from everlasting punishment in Hell for all the sins they have committed.

“God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world; but that the world through Him might be saved. He that believes on Him is not condemned: but he that believes not is condemned already, because he has not believed in the Name of the only begotten Son of God” (John 3:16-18).

The Bible states that God, and the Lord Jesus, are **“not willing that any should perish, but that all should come to repentance” (2 Peter 3:9)**. It also instructs us: **“Believe on the Lord Jesus Christ, and you shall be saved” (Acts 16:31)**. So right now, if you believe on the Lord Jesus, that He suffered, died, and shed His blood on the cross to pay the punishment your own sins deserved, you are no longer condemned. You will not be here to experience the end of the present world system nor will you ever have to suffer the everlasting punishment you deserve as Jesus received this in your stead in the three dark hours of unimaginable sufferings on the cross. Instead, you and everyone else who believes in the Lord Jesus as their personal Saviour, will be raptured out of this world before that seven-year period, to enjoy everlasting life with Him in Heaven! Do not wait! Believe on Him today!
